- The promotional offer with purchases of C range is eligible to all resellers with registered offices in the EMEA (excluding Russia, Ukraine, and Belarus), NA (excluding US), LATAM & APAC (excluding China) region, and for end-user deployment within these regions.
- The promotional offer with purchases of CX range is only eligible to accredited Connect! resellers with registered offices in the EMEA (excluding Russia, Ukraine, and Belarus), NA (excluding US), LATAM & APAC (excluding China) region, and for end-user deployment within these regions.

- The promotion is compatible with Barco's Special Bid Pricing (SPID) Program/Deal Reg Pricing on base units and buttons (only where applicable).
- The promotion is not compatible with the Barco Demo Pricing Program on base units and buttons.
- The promotion is not compatible with Barco's Public Sector/SLED Program on base units and buttons (only where applicable).
- The promotion is not compatible with the Barco Trade in Program on base units and buttons.
- The promotion is not compatible with any other Barco pricing program and/or promotional offer.
- Eligible claims will only be accepted based on hardware shipments of main units invoiced from distribution between the period of 2nd October 2023 to 31st December 2023.
- Barco reserves the right to perform spot-checks on distributors, resellers & end-users to check the validity of the Promotional pricing eligibility.
- Barco reserves the right to re-invoice the wrongly applied discount in any case where a reseller applies the discount for end users not eligible under the terms and conditions of the promotion.
- Barco reserves the right to alter, amend, or terminate the promotion, or any part thereof, in such manner as it may determine, for any reason at any time.
- Barco's standard terms and conditions apply to the promotion.
